Dear Past and Future Bioneers Participant,

We are eagerly looking forward to the next Bioneers @ MCC November 7<sup>th</sup>, 2009. If you were there last year, you know that we had an exciting event as we shared information, ways to create community, and learned amazing facts and technologies. Last year we had great reviews, and approximately 175 participants. This year our theme will be **Building the Green Economy, Energy Savings** and more. We are privileged to have as our Keynote Speakers, John Ivanko and Lisa Kivirist authors of *Ecopreneuring Putting Purpose and Planet before Profit*.

If you are new to the Bioneers, founded in 1990, it is an award-winning national organization that walks a path dedicated to nature as teacher, that people are important, and the Earth is home. They have published books, media and presented other events that show people ways out of our environmental challenges while taking the high road with their motto (and working mission statement) **People, Planet, Profit**. For more info, go to [www.bioneers.org](http://www.bioneers.org)

We would like to invite you to participate by sponsoring a table and to share your green business at this important event. Table prices are \$50 for businesses and \$25 for nonprofits. Lunch extra. **Please contact Georgianne Cirrincione at McHenry County, College 815-479-7635 and use your credit card or send a check made out to McHenry County College, 8900 U.S. Highway 14, Crystal Lake, IL 60012 c/o Georgianne Cirrincione. Or you can fax the attached form to 815-459-0638.**

**Exhibitor registration deadline is Friday, October 30<sup>th</sup>.**

For more table information call Caron Wenzel at 815-338-4716 or email [cwenzel@blazing-star.com](mailto:cwenzel@blazing-star.com)

The Bioneers@MCC program outline is enclosed. We are looking forward to another great event!

Sincerely,
